Summer 2017

Dear Sir or Madame,

I'm writing to you to request a donation that we would be able to auction/raffle off for a very worthy cause, the 9th Annual Rhino Page & Friends... "Lace Up" to Strike Out Crohn's & Colitis event. This year the bowling fund raiser will be held at South Levittown Lanes 56 Tanners Lane Levittown, NY on Saturday, October 21, 2017 where participants will receive 3 hours of bowling, food and refreshments for their monetary donation. The proceeds from this event will benefit the Crohn's & Colitis Foundation of America to help fund research to find a cure for a disease that affects over 100,000 children under the age of 18. In the past eight events, we have raised over \$250,000 thanks to the generous out pouring of individual and corporate support. With your donations, we hope to reach new goals and help that many more people in the future. I would appreciate it if you would either please send the donation to the above address, to me, Mrs. Patricia Cacioppo at 245-43 62nd Avenue, Douglaston, NY 11362 or I can arrange to have it picked up if it is more convenient. Please feel free to contact me with any questions or concerns you may have.

Thank you so much in advance for your consideration of a donation.

Respectfully,

Mrs. Patricia Cacioppo

CROHN'S & COLITIS FOUNDATION OF AMERICA

December 5, 2008

To Whom It May Concern:

This is to confirm that the Crohn's & Colitis Foundation of America, Inc. (CCFA) is a 501[c]3 not-for-profit organization organized under the laws of New York State. We currently operate approximately 33 staffed chapters throughout the United States, and file consolidated financial and tax reports.

This is to confirm that each Chapter of CCFA, including the Fairfield/Westchester Chapter located in White Plains, NY is a fully chartered, subordinate chapter of the CCFA organization, whose financial information is consolidated with all other CCFA chapters and the National Organization for all mandated reporting purposes. The Fairfield/Westchester Chapter is a subordinate in good standing with the parent organization.

CCFA's exemption status is filed on an "individual" basis...that is that CCFA is considered one entity by the IRS. Group filings are done when each chapter uses a separate and different tax ID, which CCFA does not. Accordingly, the IRS will not issue a "group" ruling letter for CCFA since CCFA files on an individual basis. CCFA's Chapters use the same EIN as the National organization.

Accordingly, this letter is to certify that each Chapter of CCFA (as do all CCFA Chapters throughout the United States) utilizes the same Tax Identification number for all purposes, which is: 13-6193105.
Please contact me if there is any additional information required.

Truly yours,

Lakya Thomas-Vizcarrondo
Director of Chapter Finance
